BANNERS / DISPLAYS

INDOOR

POS Pro

Synthetic, anti-curl film used for retractable banner stands and frame inserts. Smooth glossy finish. Excellent imaging.

Adhesive Wall-Noodle

Indoor adhesive vinyl that can be applied and removed multiple times, never leaving residue behind. Used on flat surfaces.

INDOOR/OUTDOOR

Matte Vinyl

Basic indoor/outdoor matte vinyl banner material used for hanging banners with grommets, hems, and/or pole pockets. Durable and color intensive.

Adhesive Transit Vinyl

Indoor/outdoor adhesive vinyl suitable to most metro advertising requirements used on flat surfaces.

Strip-Mesh Vinyl

Wind and water resistant perforated matte vinyl banner material used for hanging banners with grommets, hems, and/or pole pockets.

Wet-Strength Poster Paper

Dampness resilient indoor/outdoor poster paper installed within enclosed poster cabinets.

TEXTILES

FOR THE ARTIST

5.1 oz Soft Knit

Indoor, lightweight textile used for drapes or throws. Commonly sewn for finishing.

Artist Canvas

Indoor, middleweight, smooth, bright white textile used for hanging banners with grommets, hems, and/or pole pockets, or artist gallery frame wraps.

Ultra Poplin

Indoor, middleweight textile used for hanging banners with grommets, hems, and/or pole pockets.

Somerset Velvet

Acid-free fine art paper from Epson. Used for fine art reproduction. Typically framed behind glass.

Ultra Cotton

Indoor, heavyweight, textured warm white textile used for hanging banners with grommets, hems, and/or pole pockets, or artist gallery frame wraps.

Abaco Beach Wallpaper

Authentic wallpaper. Applied using traditional wallpaper installation techniques.

CORRUGATED

INDOOR

24pt Cardstock

Heavyweight cardstock used for indoor posters and frame inserts. Corners often drilled for hanging with suction cups on interior surface of lobby windows.

3/16" Ultra DP

Premium, indoor, paperfaced foamcore used for permanent installations and posters. Stays bright white and does not warp over time. Versatile and rugged.

INDOOR/OUTDOOR

Cost effective, political and site signs.

6MM Sintra

6MM PVC plastic sheets are a heavyweight material and suitable for indoor/outdoor use. A homogenous sheet (no foam "core"). For medium to long term applications.

4MM Corrugated Plastic

Indoor/outdoor, lightweight, corrugated plastic sheets with channels for yard sign H-Frames or mounted to fencing with grommets.

3MM Sintra

3MM PVC plastic sheets are a middleweight material and suitable for indoor/outdoor use. A homogenous sheet (no foam "core"). For medium to long term applications.

10MM Corrugated Plastic

Indoor/outdoor, heavyweight, corrugated plastic sheets with channels for yard sign H-frames or mounted to fencing with grommets.
